Monday-Friday 10 am – 6 pm

Product Information

Product: Barrel aged Genever
Alcohol: 42% / 84 Proof

Production Method: Boompjes Korenwijn is made by distilling a macerate from grain alcohol with a variety of fresh and partly organic botanicals and herbs. Basically the same recipe as used in the Genever but then we added 51% malt wine instead of 10%. So a malty flavor with a powerful pallet of botanicals.

Tasting Notes: Smooth malty flavor where you can taste the rye and she is perfectly balanced with hints of licorice, cinnamon and angelica. This Korenwijn is great to use in high Alcohol cocktails.

Logistic Details

Product	Barrel aged Korenwijn Genever	Brand	Boompjes Genever
ABV	42%	Volumes	700ml / 70cl
Bottle Weight	1330 gram	Closure	GPI w Shrink capsule
Bottle Empty	660 gram	Case p. Europallet	100
Bottle p. Case	6	Case p. Layer	21*
Layers per Pallet	5	Pallet Weight	850 kg
Case weight	8,3 kg	EAN Code Bottle	8718444160120
Case Dimensions	245 x 165 x 300 mm	EAN Code Case	8718444160157

* Exception on layer 5 which only has 16 boxes
