

MOÅ

Natural Infused Vodka

How it's made

MOÅ is an all natural infused vodka, flavoured with kaffir, ginger and bergamot: beautifully rich yet light and refreshing.

Distilled in the second oldest distillery in the Netherlands: Onder De Boompjes, originated in 1658 and still privately owned. Onder de Boompjes produces various types of genevers, gins and other liquors with their astounding experience.

Freshly cut ginger, bergamot and kaffir lime leaves. These organic ingredients give our vodka a beautifully rich yet light and refreshing flavour. Making it the perfect match for tonic water, soda or as part of a refreshing cocktail.
