### Product Information

**Product:** Barrel aged Genever  
**Alcohol:** 38% / 76 Proof

**Production Method:** Boompjes Old Dutch is made by distilling a macerate from grain alcohol with a variety of fresh herbs and fresh cut or peeled fruits. Then we add the Maltwine which was aged on Bourbon Barrels for 3 years and blend it with grain alcohol and osmose water till it has the 38% ABV. The Genever has a 20% Maltwine content.

**Tasting Notes:** Very soft malt flavor with hints of orange and Juniper. Simplicity is the beauty of this spirit. On the rocks or in classic cocktails like a Martinez.
