## PURE TRADITION

Radermacher Distillery was established in 1836. As the oldest distillery in Belgium she is proud to look back on almost two centuries of tradition since the secrets of distilling have always been handed down from one generation to the next and have therefore contributed to the continued existence of typical regional products.

The authenticity of the word «Peket», which derives from the walloonish dialect and stands for «jenever», is best expressed in this product and emphasizes the typical characteristic of jenever: the presence of juniper berries. «Peket 1836» is a classical, smooth jenever with juniper berry flavour.

**COLOUR:**

Transparent, crystal-clear.

**AROMA:**

Fresh, slightly flowery bouquet with a pleasant juniper berry flavour.

**CONSUMPTION:**

We suggest you to store the bottles vertically in a cool and dark place.
