

*T* RAERENER  
TÖPFERGEIST®

## BACK TO THE ROOTS

This jenever is the subtle marriage of malt and juniper berries (to be translated by «The spirit of the potter of Raeren»). Its pure taste and the fine perfume of the thorny juniper enchant both nose and palate.

The name refers to the history of the pottery centre of Raeren, the most important and most famous one north of the Alps between the 14th and 16th century. It is also the oldest product of the distillery, its origin goes back to 1836!
