Monday-Friday 10 am – 6 pm

Product Information

Product: Unaged Genever
Alcohol: 35% / 70 Proof

Production Method: Boompjes Genever is made by distilling a macerate from grain alcohol with a variety of fresh and partly organic botanicals, herbs and fresh cut or peeled fruits. Then we add the Maltwine and blend it with grain alcohol and osmosis water till it has the 35% ABV. The Genever has a 10% Maltwine content.

Tasting Notes: Juniper base with hints of Malt and Rye and well balanced with vanilla, lavender, liquorice and lemons. Enjoy this drink paired with Ginger Ale garnished with min and lime and we encourage you to make those classic cocktails calling for Genever.

Logistic Details

Product	Unaged Genever	Brand	Boompjes Genever
ABV	35%	Volumes	700ml / 70cl
Bottle Weight	1330 gram	Closure	GPI w Shrink capsule
Bottle Empty	660 gram	Case p. Europallet	100
Bottle p. Case	6	Case p. Layer	21*
Layers per Pallet	5	Pallet Weight	850 kg
Case weight	8,30 kg	EAN Code Bottle	8718444160014
Case Dimensions	245 x 165 x 300 mm	EAN Code Case	8718444160076

* Exception on layer 5 which only has 16 boxes
